Deceuninck Appoints New VP of Operations

Deceuninck North America is welcoming Frank Perna as vice president of operations for its Monroe and Fernley facilities.

In this role, Mr. Perna will be responsible for the manufacturing activities of Deceuninck North America. He brings more than 25 years of experience in the industry, including extrusion, window fabrication and all phases of operations and plant management.

“Frank has the ability to deliver short-term results and long-term sustainable impact for Deceuninck and, most importantly, our customers,” said Filip Geeraert, president and CEO, Deceuninck North America. “We are eager to leverage his proven operations expertise to refine our culture of innovation around a shared vision.”
