Deceuninck Adds Northwest Sales Manager, Customer Experience Manager

Deceuninck North America is welcoming two new managers to its fenestration business.

Dave Pirwitz has been appointed sales manager of the Northwest region. In his new role, Mr. Pirwitz will continue to grow Deceuninck's fenestration business in the Northwest U.S. and Western Canada, bringing value to fabricators through his strengths in process improvement, customer business development and new technology implementation. Mr. Pirwitz will work closely with team members at the company's new facility in Fernley, Nevada. Mr. Pirwitz has 19 years of experience in the fenestration industry, most recently overseeing Urban Machinery's U.S. operations in Tualatin, Oregon, and Port Townsend, Washington.

Scott Ricke re-joins the fenestration side of Deceuninck North America as customer experience manager. Mr. Ricke has been part of the Deceuninck team for more than 25 years, most recently as product manager for the decking and railing business. In his new role, Mr. Ricke will focus on business processes and the interface with customers as well as strategic initiative projects.

"These new appointments will contribute to our continued business growth while maintaining our commitment to a customer-focused approach and pursuit of zero back orders," said Filip Geeraert, president and CEO, Deceuninck North America.
